COMODO SECUREBOX 2.0 Enterprise Edition

THIS AGREEMENT CONTAINS A BINDING ARBITRATION CLAUSE.

IMPORTANT – PLEASE READ THESE TERMS CAREFULLY BEFORE USING THE COMODO SECUREBOX SOFTWARE ("PRODUCT"). THE PRODUCT MEANS ALL OF THE ELECTRONIC FILES PROVIDED BY DOWNLOAD WITH THIS LICENSE AGREEMENT. BY USING THE PRODUCT, OR BY CLICKING ON "I ACCEPT" BELOW, YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, THAT YOU UNDERSTAND IT, AND THAT YOU AGREE TO BE BOUND BY ITS TERMS. Product Functionality

Comodo SecureBox is a container which can run and secure a web or desktop application inside a secure environment during online transactions even though the client is a pre-existing hostile or infected environment. It assists in the protection of your applications, e.g. Point Of Sale apps, and online banking against potential data exfiltration. The Product assumes the host environment is hostile, *i.e.* a computer is infected and attackers control the computer. The Product creates a secure container or box where applications can run isolated from the hostile environment and the host cannot access container data. The Product also helps provide security against malware installation while securely browsing to protect data and the computer.

This end user license and subscriber agreement is between you ("you" or "Subscriber"), an individual or business entity, and Comodo Security Solutions, Inc., a Delaware company, with offices at 1255 Broad Street, Clifton NJ 07013 USA ("Comodo").

In exchange for your use of the Product, you agree as follows:

You shall not resell, lease, sell, modify, reverse engineer, decompile, or create derivative works of the Product. All rights not expressly granted herein are reserved to Comodo. 6.2 Comodo hereby agrees to indemnify, defend and hold harmless You (an "Indemnified Person"), from and against, any and all Losses incurred by You in connection with any claim, action, suit or proceeding by a third party (each, a "Claim") to the extent such Claim arises out of or results from Comodo's direct infringement or misappropriation of a trade secret of a third party or any U.S. patent, registered copyright, or registered trademark related to the use of the Product. Comodo's indemnification obligations shall not apply to the extent any such infringement or misappropriation is the result of: (a) Your independent modification of the Product, or any other product, software or service provided under this agreement where without such modification the Product or other product would not infringe, (b) Your combination of the Product or any other product, software or service provided under this agreement with any other product, or use with any other product, (c) Comodo's adherence to Your express written instructions where such instructions and any modifications, changes or combinations made as a result of said instructions are solely responsible for the claim of infringement, (d) any Claim based on open source software or other third party code included with the Product, (e) any unauthorized use of the Software, or (f) use of the Software other than in accordance with the Documentation (any applicable administration guide for the current version of the Software).

6.3 <u>Indemnification Procedure</u>. Each Indemnified Person must notify the other party promptly (within 14 days) of a demand for indemnification. However, an Indemnified Person's failure to notify will not relieve the other party from its indemnification obligations except to the extent that the failure to notify materially prejudices a party. The Indemnitor may assume the defense of any action, suit, or proceeding giving rise to an indemnification obligation unless assuming the defense would result in potential conflicting interests as determined by the Indemnified Person in good faith. Indemnitor may not settle any claim, action, suit or proceeding related to this Agreement unless the settlement also includes an unconditional release of all Indemnified Persons from liability.

6.4 <u>Additional Liability</u>. Your indemnification obligations are not Comodo's sole remedy for a breach and are in addition to any other remedies Comodo may have against you under this agreement. Your indemnification obligations survive the termination of this agreement.
