

COMODO VULNERABILITY SCANNING SUBSCRIBER AGREEMENT

IMPORTANT—PLEASE READ THESE TERMS CAREFULLY BEFORE APPLYING FOR, ACCEPTING, OR USING THE COMODO VULNERABILITY SCANNING SERVICES, INCLUDING HACKERPROOF AND HACKERGUARDIAN. BY USING, APPLYING FOR, OR ACCEPTING THE VULNERABILITY SCANNING SERVICES OR BY CLICKING ON “I ACCEPT” BELOW, YOU (THE “SUBSCRIBER”) ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, THAT YOU UNDERSTAND IT, AND THAT YOU AGREE TO AND ACCEPT THE TERMS AS PRESENTED HEREIN. IF YOU DO NOT AGREE TO THE TERMS AND CONDITIONS OF THIS AGREEMENT, DO NOT APPLY FOR, ACCEPT, OR USE COMODO’S VULNERABILITY SCANNING SERVICES AND CLICK “DECLINE” BELOW.

The terms and conditions set forth below constitute a binding agreement between you (the “Subscriber” or “you”) and Comodo CA Limited (“Comodo”), which has its principal place of business at 26 Office Village, 3rd Floor, Exchange Quay, Trafford Road, Salford, Manchester M5 3EQ, United Kingdom (the “Agreement”). Any failure to abide by this Agreement shall void Comodo’s obligations hereunder.

1. Use of the Services

- 1.1. License. Comodo grants to you a revocable, non-exclusive, non-transferable license to use the vulnerability scanning services select during the registration process (either HackerProof or HackerGuardian), including the security scans, logos, audits, and reports (the “Services”) to identify areas of insecurity or vulnerability on a scanned network server, personal computer, or other internet-connected device (each a “System”). You authorize Comodo to perform the Services on the specified Systems.
- 1.2. Registration. In order to receive the Services, you must register for an account with Comodo. Subscriber shall provide full and accurate information in all electronic or hardcopy documents submitted to Comodo. This information must be promptly updated if any information changes or ceases to remain accurate. Failure to promptly update information shall be deemed a material breach of this Agreement.
- 1.3. Account. The account shall be protected by a username and password which are confidential information. You are fully responsible for any activities that occur through your account. You must notify Comodo immediately if you suspect any unauthorized use of your account.
- 1.4. Scanning. The Services serve only as a passive conduit to provide the scan and recommended fixes and are not intended to fix, remedy, prevent, or eliminate any vulnerabilities or insecurities. You are solely responsible for securing and protecting your system. The Services only scan for major known vulnerabilities. A successful scan does not guarantee or ensure that the System is free of all vulnerabilities or insecurities. The number of scans performed depends on the subscription selected during the registration process.
- 1.5. TrustLogo. Any IP address failing a scan may not display the logo associated with the Services. HackerProof users who pass the first scan and then later fail a daily scan may continue to display the logo for up to consecutive two scan cycles while attempting to fix the problem. If a scan is not passed within two scan cycles, the logo must be removed from the website failing the scan. Displaying the logo before passing the initial daily scan or after failing to pass a daily scan within two consecutive scan cycles is a material breach of this Agreement, and Comodo may deactivate the Services automatically without providing further notice to you.
- 1.6. Changes in Services. Comodo may modify the Service in its sole discretion, including removing, modifying, or updating the specific scans performed. These modifications may be made without notice from Comodo.
- 1.7. Trial Accounts and A/B Testing. Subscribers who register with a free trial account may use the Services during the trial period without payment. Trial accounts will display the logo associated with

the Services on an A/B test mechanism. This means the logo will be displayed to approximately half of the website visitors. At the end of the trial, Comodo may access and use statistical information about the use the Services on Subscriber's website. Such use may occur without Subscriber's permission. Free trials may be terminated at any time by purchasing a subscription to the Services. Free trials are limited to one per domain name and may not be renewed. Free trials use cookies, Comodo Analytics, and javascript and will only function on browsers and systems allowing such activity. To use a free trial, you are required to allow cookies from your website and must include the use of cookies in your site's privacy policy. Comodo does not guarantee that the Free Trial offer will be available at all times and in all locations and such accounts are granted in Comodo's sole discretion.

Continued use of the Services after an amendment constitutes Subscriber's acceptance of the amendment.
